

GEORGE
WASHINGTON HIGH SCHOOL

Hello!

The George Washington High School Volleyball players are participating in a Serve-A-Thon fundraiser. Over a week of practice, each player will serve a total of 100 balls. As they improve their volleyball skills, they will be creating a stronger program for the future at George. This fundraiser will help provide team shirts, volleyballs, training equipment, coaching and entry fees for off-season leagues and tournaments. By contributing to our cause, you are not only helping players improve the volleyball program, but also getting a tax break, as all contributions are tax deductible. It is easy to participate. Please select a donation amount and send it in. It is that easy.

For example:

[100 balls at .05 cents = \\$5.00](#)

[100 balls at .10 cents = \\$10.00](#)

[Donation amount of your choice = \\$\\$\\$\\$](#)

Thank you for supporting our volleyball program!

Sincerely,

[GW Volleyball Players and Coaching Staff](#)
